

**Master of Science in Biomedical Sciences
Class of 2025
Academic Year 2024-2025**

WMed faculty embraces a format-neutral environment where learners select the medium that best meets their learning preferences. Textbooks and online instructional materials support the delivery of curricular content identified by the faculty to facilitate a balanced, chronological presentation of new material to the learner. Therefore, students will be responsible for obtaining the required textbooks and given the following options:

- Accessing through the [Medical Library's](#) online collection, when available
- Purchasing or renting an online digital book from Cengage
- Purchasing or renting a print textbook from a third-party bookseller
