

**Doctor of Medicine Degree Program
Year 3 – Clinical Applications
Class of 2025
Academic Year 2023-2024**

Required & Recommended Textbooks

Through the WMed Library’s [Clerkships Guide](https://libguides.med.wmich.edu/Clerkships) (<https://libguides.med.wmich.edu/Clerkships>), students have access to required and recommended textbooks, [mobile applications](#), clinical case file collections, and [test](#) preparation materials in the fourth year of medical school. The school provides electronic access to each book title unless noted on the resource guide. Some mobile applications recommended may charge a nominal fee for which the learner is responsible for all costs.

Required Question Bank

WMed faculty embrace the advantages of incorporating a USMLE style question bank for study and test preparation in the third year of medical school. The medical school will purchase on your behalf a discounted subscription to UWorld to successfully prepare and sit for the clerkship shelf exams in addition to the USMLE Step 2.

Thus, students **should not** individually purchase their UWorld subscription prior to the start of the academic year. Your account and access information will be provided to you in Rotation 1 of the Core Clerkship to activate.

Title	Course	Student Price	Retail Price	Source
UWorld USMLE Step 2 CK Qbank 360-days + Form 1 & 2	Core Clinical	\$499.00	\$559.00	UWorld http://www.uworld.com/purchase.aspx

Supplemental Educational Resources

The [Clerkship Guide](#) may not list other textbooks and study aids the library’s online collection currently holds. Before purchasing additional materials, inquire with the [WMed librarians](#) to see if a copy is available at the [library](#). Students may choose to buy materials the library cannot provide access to supplement their training. The [AddAll Book Search and Price Comparison](#) website compares online bookstore prices and shipping charges for students who opt to purchase additional print study material. AddAll is an independent and impartial website and does not sell electronic or print textbooks.

Vital Source Reminder

As part of the purchasing agreement with the platform provider, students will be able to download their purchased textbooks for off-line and perpetual use. Many of these textbooks will be used to successfully prepare and sit for the USMLE Step exams. As a reminder, download the Vital Source textbooks to your laptop before June 1, 2023 for perpetual access to book content. Download instructions are [here](#).

ScholarRx Tool

To extend your ScholarRx subscription in the third-year, email Ask.Librarian@med.wmich.edu.

Cost

The cost to purchase all required and recommended third year materials is **\$499**.

The amount billed by the WMed Accounting Department to the learner for UWorld is **\$499**.
